

DEMOCRATS CAPTURE MAJORITY STATE OFFICES

Contest For Supremacy in House Representatives is Close

DEMOCRATS IN CONTROL MANY STATES OF WEST

Elect Governors and Congressional Members in Arizona and in Oregon

RICHARDSON IS SUCCESSFUL

Conceded That He Will Be Next Governor of California By His Opponents

SAN FRANCISCO, Nov. 8.—Friend W. Richardson has a lead over Woolwine for governor of 31,411 at 10:30 o'clock. Hiram Johnson is leading Pearson for the senatorship by 117, 455. Figures indicated that the Wright act was defeated. San Francisco reported a majority of more than 2 to 1 against it, while Los Angeles county returns indicated a margin in favor of the act. However, this was only a slight one.

Three democratic gains in several western states, both congressional and gubernatorial, in Arizona and Oregon with the election of democratic governors in place of republicans now occupying executive chairs was conceded. In Montana, New Mexico, Oregon and Utah early figures gave the democrats the lead for congressional places now held by republicans.

Hawaii gave a lead to a democrat for delegate in congress. Returns from the whole west were slow.

The Ku Klux Klan figured in the contest and it is conceded that it defeated Governor O'Leary of Oregon and is apparent in the defeat of Woolwine for governor of California. Both had denounced the Klan in sworn terms.

California is split on the prohibition issue and the same electorate which voted against Woolwine are avowed supporters of light wines and beer, giving substantial lead against the statewide prohibition enforcement measure.

NEW YORK, Nov. 8.—At noon 15,000 had completed the count for congressional returns and the vote then stood republicans 155; democrats, 187; socialists, 1 Iowa is the only state to return a solid republican delegation.

SOUTH AGAIN ENTERS RANKS OF DEMOCRATS

Tennessee Leads By Defeating Governor Taylor, Leader of Republicans for Long Time

ATLANTA, Ga., Nov. 8.—The democratic "solid south" once again is a reality as a result of yesterday's general election, according to early figures and led by Tennessee whose Governor Taylor, for many years, the republican leader of his state, has apparently been defeated by Austin Peay, and Cordell Hull, chairman of the democratic national committee, has regained his seat in congress. The democrats drove the republicans from the footholds the latter gained in 1920. The democrats increased their congressional representation from four to eight in the state, defeating their opponents from five to two. Mrs. Lucy R. Patterson, republican, who opposed Congressman Stedman in the fifth North Carolina district, was defeated by a large vote.

POPULAR YOUNG PEOPLE PLIGHT THEIR TROTH

Arbin E. Neilson and Miss Irene Martin United in Marriage at Home Ceremony

At a pretty home wedding last evening at the home of Mr. and Mrs. Elmer Neilson, Rev. Frank Manderson of the Presbyterian church officiated at the ceremony which united the lives of Arbin E. Neilson and Miss Irene Martin. Miss Julia Richmond and Elmer Neilson, brother of the groom, were the attendants and the guests included only the immediate families of the contracting parties and a few close friends. Following the ceremony an elaborate wedding supper was served. The young people are two of the most popular of Tonopah's younger set, and have a host of friends who join in extending congratulations. The bride is the charming daughter of Edward Martin, and the groom is the son of Mr. and Mrs. J. H. Neilson, and has been connected with the Mine Workers Mercantile company store since its establishment. The guests were Edward Martin, father of the bride, Mr. and Mrs. J. H. Neilson, parents of the groom; Mr. and Mrs. Thomas Lindsay; Mr. and Mrs. Elmer Neilson; Mrs. Jeanette Casey; Miss Julia Richmond; Miss Edwina Martin. The newlyweds plan to take up housekeeping at once at the Fenley cottage on Prospect street which was recently purchased by the groom.

EXTENSION OUTPUT SHOWING INCREASE

September operations at the Tonopah Extension showed \$3441 larger operating profits than in August when the flooded lower levels depressed production. Output increased from \$155,000 in August to \$158,774 but working costs also expanded from \$91,059 to \$95,592. Enhancement in operating profit was from \$43,941 to \$37,782.

Total working gains for six months of the current fiscal year amount to \$233,177 contrasted with actual profits of \$100,512 for the entire 12 months ended March 31 last. If this basis be maintained for the balance of the annual period a total return in excess of \$405,000 or 35 cents a share may be anticipated.

TRAINS MAKE GRADE

OGDEN, Utah, Nov. 8.—Ten Union Pacific trains are blocked by winds and snow in Wyoming arrived in Ogden yesterday and departed for San Francisco and Los Angeles today.

WETS CAPTURE FOUR STATES IN ELECTION

Proponents Score Heavily and are in Favor of Modification of Volstead Act

CALIFORNIA SCORES VICTORY

Governor Edwards of New Jersey is Sent to the United States Senate

CHICAGO, Ill., Nov. 8.—Proponents of relaxing prohibition laws scored heavily in at least four states, according to compilations. In Illinois an expression of sentiment on the Volstead act favored the modification by approximately 60,000 votes to a negative 200,000 with only half the state reported.

California defeated the state prohibition act as it was indicated by 2 to 1.

Missouri re-elected Senator Reed, an avowed opponent of prohibition. New Jersey it is indicated sent Governor Edwards, also avowedly against prohibition, to the United States senate over Senator Frelinghuysen.

Wisconsin also re-elected Senator La Follette, classed as an anti prohibitionist by the dregs.

The New York democratic platform favored light wines and beer.

SAN FRANCISCO, Nov. 8.—Later returns on the Wright prohibition bill showed returns that might affect the results of the election. The majority at noon was 51,569 against it and indications were the soldiers' legislation carried and the water and power act was defeated. The child practices probably won the right to have an examining board but the nepotists apparently lost.

Kerrigan and Seawell led in the associate justice race. The lawyers bill to prevent banks and trust companies from holding shares in the anti-vivisection measure were also defeated.

Three thousand precincts give Richardson 226,199; Woolwine, 172,103 and Senator Johnson, 242,874; Pearson 89,119; Young 136,349; and Shearer 56,327.

CANDELARIA IS SHOWING CLASS AS A PRODUCER

New Find Promises to Develop Into Second Jarmuth Stope of Great Richness

The new ore strike at Candelaria mines has assumed greater importance and officials now expect the find to develop into a second Jarmuth stope, from which heavy production was realized several years ago. Over a width of 12 feet the latest ore find assays 20 to 70 ounces silver to the ton, with neither foot nor hanging wall as yet in sight.

Stope fills now being mined for mill feed are running double the value indicated by earlier sampling operations. This material comprises the bulk of the present milling supplies. The new plant is reported to be operating smoothly, giving operating results meeting all the preliminary expectations of its designers. Grade of ore milled is being gradually raised and scale of operations is being steadily increased, until eventually the full rate capacity of 550 to 600 tons a day shall have been attained.

UTAH DEMOCRATIC

SALT LAKE CITY, Nov. 8.—Unofficial returns at 1 o'clock show Senator King, democrat, a small lead over Ernest Bamberger, republican, for the senatorship.

LYOYD GEORGE SAYS FLAG MUST STAY UP

NEWCASTLE, Nov. 8.—Lloyd George made some sharp remarks in reference to the crisis which has arisen in the Near East since his fall from the premiership in a political address he delivered before a large assemblage here. The Near East is beginning to show symptoms of inflation. Whatever happens our flag must not be let down, he said.

DEMOCRATS ARE VICTORIOUS IN NYE COUNTY

Mrs. Gilbert Only Successful Candidate; Sanford Galvin is Constable

The election returns from Nye county had only been partially tabulated up to the time of going to press, there being tea prearranged yet to be heard from, which include: Jene, Belmont, Duckwater, Currant, Nyala, Sunny-side, Sharp and Hot Creek.

It is generally conceded that all democrats are elected to county offices with the possible exception of Lida Gilbert for county auditor and recorder. Sanford Galvin, republican nominee for constable of the Tonopah township, was elected, although the complete result is not known as precinct No. 5 had not finished counting at the time of going to press.

W. H. Thomas, independent for sheriff and assessor, was unquestionably elected, while race between Joseph T. Murphy and William Forman is close.

BOTH PARTIES STRIVING FOR FULL CONTROL

Returns From West and Middle West Yet to Be Heard From For Decision

NEBRASKA IS REPUBLICAN

Republican Majority in the Senate is Reduced Down Sixteen in Number

NEW YORK, Nov. 8.—The re-election of Representative Scott, republican of Michigan, led the democrats and republicans in the race for control of the house of representatives. It gave each party 178 votes toward a majority of 218 for which they are striving. Only 21 states had reported a complete vote, however, and it is plain the deciding figures were to come from the west and middle west.

Early returns today showed that the republican seats in the senate from Indiana, Maryland, New Jersey, New York, Michigan and West Virginia had apparently been captured by the democrats and that the republicans have captured seats held by democrats from Nebraska and Ohio. These returns would reduce the republican majority from 24 to 16 with prospects of further reduction.

PENNSYLVANIA REMAINS FIRM FOR G. O. P.

Gifford Pinchot is Elected as Governor With the Entire State Ticket

NEW YORK, Nov. 8.—Gifford Pinchot, republican was elected governor of Pennsylvania. Senator Lodge was re-elected in Massachusetts by a close margin. Victor Berger, socialist, was returned to congress from the fifth district of Wisconsin, offsetting the socialist loss in the defeat of Meyer London of New York. Berger once was expelled from the house for espionage during the war, but when the United States Supreme court reversed his conviction, he announced he would run again.

BIG STORM SWEEPING ALONG ENTIRE COAST

SAN FRANCISCO, Nov. 8.—A great storm which is moving in from the north Pacific is expected to reach the mainland today, bringing showers from the Mexican line to Alaska, with high winds along the portions of Oregon and Washington coasts, the weather bureau here announced. SITUATION IN NEAR EAST IS MOST SERIOUS

British Foreign Secretary is Firm in Stand Taken Against the Turks

LONDON, Nov. 8.—Foreign secretary Curzon in an address today declared the position in the near east at this moment "constitutes the most definite menace to the peace of the world." He asserted the Turkish pretensions were without justification and could not be tolerated.

SOUTH DAKOTA NON-PARTISAN ELECTION SAYS

Frazier is Sent to United States Senate by Most Handsome Majority

FARGO, N. Dak., Nov. 8.—Republican and nonpartisan for senator will probably have a lead of 12,000 to 15,000 over O'Connor, democrat, when the rural returns come in and the gubernatorial race will be very close with the possibility that Lemke, nonpartisan, may defeat Governor Neeter, the nonpartisan league headquarters claimed today.

EFFORTS TO OBSTRUCT THE ENDS OF JUSTICE

NEW BRUNSWICK, N. J., Nov. 8.—Investigation of reports of a plot to obstruct justice in the Hall-Mills murder case and protect the murderer was under way today. Special Deputy Attorney General Mott, who expects to seek an indictment of the "woman in gray," the latter part of the week on the strength of the story of Mrs. Jane Gibson, an eye-witness, is said to feel the inquiry has been hampered by refusal of some of the witnesses to tell all they know. Others, it is said, have placed obstacles in the way of the investigators.

RELATIVE LARRY HOGUE COMING TO TONOPAH

Arrangements for the funeral of Larry Hogue will not be completed until the arrival of Patrick Halloran, a relative, from Portland. F. J. Cavanaugh received a wire this morning from a niece, Helen Malloran, that her father, was en route to Tonopah and to hold the body until he arrived.

COUNT COMING IN VERY SLOW HEADQUARTERS

Andy Stinson Re-Elected and Atkinson and Russell Have Some Chance

DEMOCRATS ARE NOW GAINING

Only About Sixty Five Per Cent Of Vote Has So Far Been Fully Tabulated

With all counties in the state heard from, White Pine included, the lead of the democratic candidates, with the exception of Stinson and Russell is steadily increasing. Stinson is elected by a large majority, and Russell for surveyor general is running very close with Deady, with the latter slightly ahead. White Pine county gave heavy majorities for all democratic candidates, including Key Pittman.

The vote of the state is now about 65 per cent counted.

Many remote precincts are to be heard from and most of these are democratic.
